CHRISTMAS STREET CORNER

ASSEMBLY MANUAL

AGES 14+

LET'S EXPLORE THIS MYSTERIOUS WORLD TOGETHER.

EN: Safety Warning

DE: Sicherheitswarnung

FR: Avertissement de sécurité

IT: Avvertenza di sicurezza

EN: 1. To keep your safe, please read this manual before you start.

DE: 1. Bitte lesen Sie diese Anleitung vor dem Zusammenbau durch.

FR: 1. Par sécurité, veuillez lire ce manuel avant de commencer.

IT: 1. Per la vostra sicurezza, leggete questo manuale prima di iniziare.

EN: 2. This product is suitable for people over 14; children must assemble under parental guidance.

DE: 2. Für über 14-Jährige. Kinder nur unter Anleitung der Eltern bauen.

FR: 2. Convient aux plus de 14 ans ; enfants sous surveillance parentale.

IT: 2. Adatto a oltre 14 anni; bambini solo con guida dei genitori.

EN: 3. Any unauthorized alteration or modification will damage your rights and interests.

DE: 3. Jede unbefugte Veränderung führt zum Verlust der Garantieansprüche.

FR: 3. Toute modification non autorisée annule vos droits et garanties.

IT: 3. Qualsiasi alterazione non autorizzata compromette i vostri diritti.

EN: Attentions

DE: Hinweise

FR: Attention

IT: Avvertenze

EN: 1. Carefully remove parts from the board to prevent breaking. Smooth breakpoints with a scrub bar

DE: 1. Teile vorsichtig lösen, Brüche vermeiden. Bruchstellen mit Feile glätten.

FR: 1. Détachez soigneusement pour éviter la casse. Limez les points de rupture.

IT: 1. Staccare con attenzione per evitare rotture. Limare i punti di rottura.

EN: 2. Do not remove all parts at once. Use non-toxic eco glue, leave 2 h to cure. Glue parts first, then assemble.

DE: 2. Nicht alle Teile auf einmal. Ungiftigen Kleber verwenden, 2 h aushärten. Zuerst kleben, dann bauen.

FR: 2. Ne détachez pas tout d'un coup. Colle non toxique, 2 h de séchage. Collez puis assemblez.

IT: 2. Non staccare tutto in una volta. Colla non tossica, 2 h di presa. Incollare poi montare.

EN: 3. Connector tightness depends on manufacturing, temperature and humidity. Polish if too tight, glue if too loose.

DE: 3. Passgenauigkeit hängt von Fertigung, Temperatur, Luftfeuchte ab. Zu fest feilen, zu lose kleben.

FR: 3. Le serrage dépend de fabrication, température et humidité. Limez si trop serré, collez si trop lâche.

IT: 3. La tenuta dipende da lavorazione, temperatura e umidità. Limare se stretto, incollare se largo.

EN: 4. Children must be accompanied by an adult during assembly.

DE: 4. Kinder müssen beim Bau von einem Erwachsenen beaufsichtigt werden.

FR: 4. Les enfants doivent être accompagnés d'un adulte.

IT: 4. I bambini devono essere assistiti da un adulto.

EN: 5. These instructions contain important information, please keep them.

DE: 5. Diese Anleitung enthält wichtige Informationen ? bitte aufbewahren.

FR: 5. Ce manuel contient des informations importantes, à conserver.

IT: 5. Le istruzioni contengono informazioni importanti, da conservare.

EN: Maintenance

DE: Wartung und Pflege

FR: Entretien et maintenance

IT: Manutenzione e cura

EN: 1. Do not place the product near heat sources or immerse it in water. Clean it with a clean, soft cloth.

2. Do not use chemical cleaners such as window cleaners, sprays, solvents, alcohol, ammonia or abrasives to clean the product.

DE: 1. Halten Sie das Produkt von Wärmequellen fern und tauchen Sie es nicht in Wasser. Reinigen Sie es mit einem sauberen, weichen Tuch.

2. Verwenden Sie keine chemischen Reinigungsmittel wie Fensterreiniger, Sprays, Lösungsmittel, Alkohol, Ammoniak oder Scheuermittel zur Reinigung des Produkts.

FR: 1. Ne placez pas le produit près d'une source de chaleur ni dans l'eau. Nettoyez-le avec un chiffon propre et doux.

2. N'utilisez pas de nettoyeurs chimiques tels que produits à vitres, sprays, solvants, alcool, ammoniacque ou abrasifs pour nettoyer le produit.

IT: 1. Non avvicinate il prodotto a fonti di calore né immergetelo in acqua. Pulirlo con un panno pulito e morbido.

2. Non utilizzare detergenti chimici come prodotti per vetri, spray, solventi, alcol, ammoniaca o abrasivi per pulire il prodotto.

EN: Battery Case Test Before Assembly

As shown in the figure, insert two AAA batteries into the battery case, turn on the switch, and test whether the light works.

DE: Batteriefachtest vor dem Zusammenbau

Wie in der Abbildung gezeigt, zwei AAA-Batterien in das Batteriefach einlegen, den Schalter einschalten und prüfen, ob das Licht leuchtet.

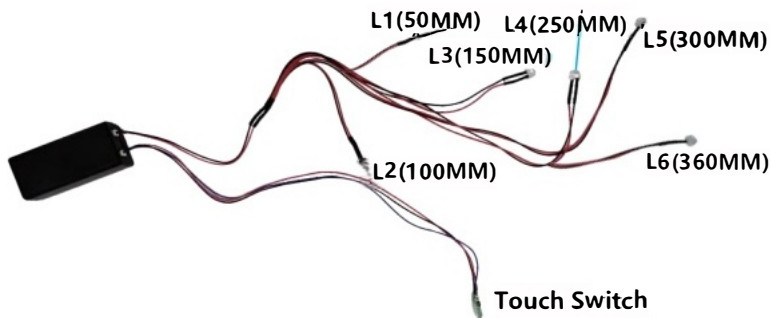

FR: Test du boîtier à piles avant le montage

Comme indiqué sur la figure, insérez deux piles AAA dans le boîtier, allumez l'interrupteur et vérifiez si la lumière s'allume.

IT: Test del vano batteria prima del montaggio

Come mostrato in figura, inserire due batterie AAA nel vano batterie, accendere l'interruttore e verificare se la luce si accende.
